**Thank You for Your Support**

We extend our heartfelt gratitude to everyone who has supported the Gear Up for Thuthuka initiative and contributed to the Thuthuka Bursary Fund. Thanks to your generosity, Thuthuka has been able to support 6,000 aspiring Chartered Accountants [CA(SA)] throughout their university studies, fostering a more diverse pool of professionals in South Africa. In 2024, 253 new first-year students have joined the programme, adding to the approximately 1,200 students currently fully funded at various levels, from first-year to postgraduate (PGDA), across the country. After our participation in the Cape Town Marathon, we are gearing up for the Soweto Marathon next. You, too, can make a difference! [Learn more about why Michael is gearing up for Thuthuka.](#)
